## All-Purpose Cleaners & Degreasers

### [Ultra-Clean - click for product specification sheet pdf](#)

#### All-Purpose Cleaner

Thick, pink all-purpose cleaner for use on all washable surfaces not harmed by water alone. Variable dilutions accommodate all general cleaning situations. Removes grease, oil, dirt and grime from floors, walls, counters.... Leaves all surfaces with a clean scent.

### **Spotlight**

#### Concentrated Detergent

A new formula which can be used on any washable surface. Higher concentration and multiple selections of wetting agents make this product superior in performance. Highly effective at dilutions as high as 1 part product to 256 parts water (½ oz per gal). Leaves no film. Pleasantly scented.

### **Opti-Brite**

#### Glass Cleaner & Deodorizer

A non-ammoniated formulation that quickly dissolves film, smears and fingerprints from all glass surfaces including windows, showcases and windshields. Deposits an invisible-but-lustrous coating that resists re-soiling, smearing and fingerprints while effectively freshening the surrounding environment.

### [Reflection - click for product specification sheet pdf](#)

#### Super-Concentrated Glass & Window Cleaner

Removes dirt and stains instantly from all glass surfaces, and restores the original luster without streaks or smears. Rapidly dissolves film and fingerprints. The ideal window cleaner. Just spray on and wipe off. Ammoniated for extra cleaning power.

### **Film Free**

#### Soap and Scum Remover

An alkaline cleaner formulated to remove surface film, soap, body oils and residues from tile, marble, terrazzo and resilient floors. Cleans and restores the natural beauty of all surfaces. Contains no acid.

### **Heavy-Duty Degreaser**

#### Butyl Cleaner

Powerful cleaning action is safe on all surfaces as a degreaser, wax stripper or heavy-duty cleaner. Non-toxic, non-corrosive and non-flammable. Spray, wipe or mop.

## All-Purpose Cleaners & Degreasers (continued)

### **Cutting Edge**

#### Double Strength Butyl Cleaner

An extra-strength concentrated butyl degreaser formulated to remove heavy grease and soil with lightning action. Works where others fail.

### **Non-Butyl Degreaser Cleaner**

A concentrated synthetic detergent for general-purpose cleaning. Removes grease, grime and dirt from all surfaces. Pleasantly scented. Contains no butyl.

### **Powerhouse - [click for product specification sheet pdf](#)**

#### Heavy-Duty Degreaser

This advanced formulation provides enhanced cleaning power to emulsify and remove all types of greasy, oily soil from any surface. A superior product fortified with D`Limonene for every cleaning job. Contains no butyl.

### **Jetstream**

#### Pressure Washer Cleaner

An odorless, highly concentrated product for use in all types of pressure-washer equipment and steam jennies. Powers away grease and grime without deleterious effects to paint or glass. Excellent for use as a vehicle cleaner.

### **Dual Acid Detergent**

#### Delimer, Tile & Grout Cleaner

A concentrated blend of mild acids and degreasers specially formulated to tackle the toughest jobs. Removes soap scum, body oils and mineral deposits from shower stalls, restroom floors and tile. Removes mineral deposits from air conditioning coils and drinking fountains. Brightens aluminum, magnesium, stainless steel, copper and chrome. Contains no harsh hydrochloric acid. Excellent for food service use.

### **Tropi-Clean**

#### All-Purpose Citrus Degreaser

A "natural" alternative to petroleum-hydrocarbon solvents. A specially formulated water-based, D`Limonene- fortified cleaner for removal of oil, grease, and other soil deposits. Excellent for use where flammable or toxic solvents are restricted or prohibited.

### **Pine-D**

#### Pine Oil Cleaner & Deodorant

An excellent economical product for general-purpose cleaning of floors, walls and woodwork. Readily emulsifies grease, grime and dirt on any surface. Contains pure pine oil for deep cleaning and deodorizing.

## All-Purpose Cleaners & Degreasers (continued)

### **Power Clean - [click for product specification sheet pdf](#)**

#### Citrus-Fortified Heavy-Duty All-Purpose Cleaner

A ready-to-use all-purpose cleaner and degreaser which is safe to use on a variety of surfaces. Simply spray it on and wipe it off. It quickly dissolves dirt, soil, wax, ink, soot and soap scum without harming painted surfaces. Excellent for cleaning restrooms, kitchens, vinyl surfaces, walls, floors and as a laundry pre-spot. Pleasant orange fragrance.

### **Thunderbolt - [click for product specification sheet pdf](#)**

#### Ready-To-Use Cleaner-Degreaser

This non-abrasive, non-flammable, non-toxic cleaner is well suited for all spray-on/wipe-off applications and requires no rinsing. Ideal for cleaning walls, countertops, appliance hoods, paneling, whitewall tires, desks or any surface where water can be used. It easily removes heavy grease and soil deposits, soot and smoke stains, most inks, carbons and dyes, mildew and creosote, lipstick, crayon and chewing gum.

### **Showcase**

#### All-Purpose Polish

This chemical blend is specially formulated to clean, polish and protect the original beauty of woodwork and fine furniture, leather, vinyl, plastic and formica, stainless steel and other metals. Note: Not for use on floors.

## **Carpet Care Products**

### **Dri-Foam**

#### Rug & Upholstery Shampoo

A concentrated detergent-solvent blend provides powerful deep-cleaning, nonwetting suds. Fortified with soil retardants, optical brighteners and deodorizing agents. Excellent for machine or hand use. Vacuuming removes residual foam and soil, leaving fibers clean and bright.

### **Fiber Clean**

#### Low-Foam Extraction Cleaner

A concentrated low-foaming cleaner specially formulated for steam or hot-water extraction equipment. A fast-working blend of detergents and solvents which effectively removes soil, grease and dirt without clogging.

### **Bonnet Brite**

#### Non-Residual Bonnet Cleaner

A powerful solvent-based cleaner designed for all traffic lane and bonnet cleaning applications. Deep cleans and lifts all soils without leaving a product residue. Recommended for use on non-staining carpeting. Excellent for use in bonnet buffing as a prespray or as a spotter.

### **Fast Lane**

#### Traffic Lane Cleaner

An outstanding blend of solvents and soil-suspending agents for the rapid release of grease and soil in high-traffic areas. May be used with all types of carpet-cleaning equipment, as a pre-spray prior to extraction cleaning or as a heavy duty shampoo.

### **Bullseye**

#### Spot, Stain & Odor Remover for Carpet & Upholstery

The one ready-to-use commercial spot remover for carpet and upholstery to remove most water-based and oil-based stains. Leaves no sticky residue to attract soil. Provides a professional look of complete cleanliness.

### **De-Foam**

#### Concentrated Defoamer

An effective concentrated all-purpose liquid defoamer for industrial and commercial applications. Excellent for use in carpet machines.

## **Carpet Care Products (continued)**

### **No-Stat**

#### Antistatic Spray

Reduces static charges generated by friction or atmospheric conditions. Ends static shock. Non-staining. Applied through trigger sprayer, fogger or pump sprayer.

### **Fiber Guard**

#### Carpet Protection System

This product was developed with special ingredients which surround each fiber with an impervious chemical shield to seal out moisture and repel stains. A ready-to-use product that lengthens the interval between cleanings.

## Disinfectants & Deodorants

### [Enviro-Pine - click here for product specification sheet pdf](#)

#### Disinfectant, Cleaner, Deodorant

Effective against a wide variety of gram-positive and gram-negative bacteria. Excellent deodorant and cleaner. For cleaning and disinfecting, mix 1 part product to 20 parts water (6 oz/gal). EPA registered. Pleasant pine fragrance.

### **Ultimint**

#### Mint Odor Disinfectant

Effective against a wide variety of gram-positive and gram-negative bacteria. Excellent deodorant and cleaner. For cleaning and disinfecting, mix 1 part product to 25 parts water (5 oz/gal). EPA registered. Fresh mint fragrance.

### [Neutra Lemon - click here for product specification pdf](#)

#### Disinfectant, Cleaner, Deodorant

Effective against a wide variety of gram-positive and gram-negative bacteria. Excellent deodorant and cleaner. For cleaning and disinfecting, mix 1 part product to 25 parts water (5 oz/gal). EPA registered. Clean lemon fragrance.

### **Vanquat 64H**

#### Germicidal Detergent & Deodorant

A multi-purpose germicidal detergent and deodorant. Effective use dilution 1:64 (2 oz/gal) in hard water up to 400 ppm (calculated as CaCO<sub>3</sub>) plus 5% organic serum. Effective against Pseudomonas aeruginosa, Herpes simplex, HIV-1 (AIDS Virus), Hepatitis B Virus (HBV) and other pathogenic organisms. Lemon scented. EPA registered.

### **Vanquat 128**

#### Germicidal Detergent & Deodorant

A multi-purpose germicidal detergent and deodorant. Effective use dilution 1:128 (1 oz/gal) in hard water up to 400 ppm (calculated as CaCO<sub>3</sub>) plus 5% organic serum. Effective against Pseudomonas aeruginosa, Herpes simplex, HIV-1 (AIDS Virus), Hepatitis B Virus (HBV) and other pathogenic organisms. Unscented. EPA registered.

### **Sanitizer-Deodorizer**

#### 1:512 Air-Dry Sanitizer

A disinfectant, sanitizer and deodorizer for final rinsing of glasses, dishes, silverware, food-processing, dairy and other equipment. Excellent for restaurants, health-care and volume-feeding institutions. EPA registered.

## Disinfectants & Deodorants (continued)

### **RTU-100 - [click here for product specification sheet pdf](#)**

This tough non-acid cleaner effectively cleans, disinfects and deodorizes all surfaces washable with water. Use on walls, floors, shower stalls, sinks, urinals and toilet bowls. Leaves a pleasant residual fragrance. Virucidal against HIV-1 (AIDS virus) EPA registered.

### **Escents**

#### Environmental Odor Counteractant

Counteracts malodors without overpowering or damaging the sense of smell, and continues to work long after the pleasant fragrance dissipates. Formulated to control continuous-source odor problems, this product is especially effective for industrial use at garbage and trash sites or wastewater treatment plants. Available with Bubble Gum, Cherry, Lemon, Herbal.

## **HI IMPACT Floor Care System**

### **Xtreme**

#### Ultra-High-Performance Stripper

A new product formulated to quickly penetrate and dissolve the most difficult-to-remove floor finishes hardened by high-speed burnishing and urethane fortification. Dramatically reduces the amount of time and labor expended with the use of conventional floor strippers. Biodegradable and non-corrosive.

### **Hi-Impact**

#### 22% High-Build Urethane-Laced Sealer/Finish

A high-build, metal-interlocked acrylic floor finish laced with clear urethane. Provides unmatched durability and gloss and anti-slip characteristics. Produces a wet-look shine that resists detergents, water, scuffing, black-heel marks and powdering. Excellent for vinyl tile, terrazzo and quarry tile. Responds to all high-speed floor maintenance procedures.

### **Forefront**

#### 18% Urethane-Laced Sealer/Finish

A metal-interlocked acrylic floor finish laced with clear urethane. Provides unmatched durability and gloss and anti-slip characteristics. Produces a wet-look shine that resists detergents, water, scuffing, black-heel marks and powdering. Excellent for vinyl tile, terrazzo and quarry tile. Responds to all high-speed floor maintenance procedures.

### **Reactor**

#### Urethane-Laced Restorer/Spray Buff

This new, total-maintenance, urethane-laced formula provides a mirror-like image on all floors coated with metal interlock, thermal plastic or polymer floor finishes. Excellent for use with high-speed machines as a mop-on restorer or rejuvenator or with conventional floor machines as a spray buff.

## **MICRO SHIELD Floor Care System**

### **Reliquifier**

#### Mop Strip Reliquifier

A professional reliquifier which solubilizes wax and floor finish in minutes. Excellent for use with floor machines or automatic scrubbers. High-power alkaline detergents blended with fast-acting solvents work on difficult locked-in buildups.

### **Breakaway - [click for product specification sheet pdf](#)**

#### Mop/Strip Finish Reliquifier

The one product to use for those impossible stripping jobs caused by over-coating, excess high-speed burnishing or constant recoating procedures over long periods. Twice the active ingredients of Reliquifier.

### **Micro-Shield - [click for product specification sheet pdf](#)**

#### Extended-Wear Floor Sealer/Finish

A hard, durable, yet responsive floor finish which produces a brilliant gloss on resilient tile floors, marble, terrazzo, concrete, sealed wood and cork. Designed for use with floor machines from 175 to 3000 RPM. Will not powder, peel or chip. Excellent for supermarkets, department stores, hospitals, schools, industrial facilities, contractors and other high-traffic areas.

### **Neutralizer & Conditioner**

#### Stripper Neutralizer and Floor Conditioner

Removes alkaline stripper residue from floors before recoating. Effectively dissolves ice-melt salt compounds, lime deposits and hard water stains from floors, glass, tile, and metals. Excellent for rinsing floor pads and mop heads to neutralize excess alkalinity and odors.

### **Clear Vue Plus**

#### Aggressive, Neutral-pH Floor Cleaner

This cleaner is an aggressive, rinse-free, neutral-pH detergent specially formulated to compliment super high-gloss floor finishes. Its unique formulation is mild enough for daily cleaning, yet effective for deep scrubbing at stronger dilutions. It thoroughly wets, emulsifies and suspends dirt and soil without harming the gloss of the finish. Its superior chelating properties make it equally effective in hard or soft water.

### **Undercoat**

#### 16% Solids Acrylic Sealer

Renews old floors, prepares floors for finish and wax applications. Reduces labor costs by eliminating dusting and extreme dirt penetration.

## **MICRO SHIELD Floor Care System (continued)**

### **Ura-Seal**

#### 25% Water Emulsion Urethane Sealer

A water-based urethane concrete seal that combines the durability and resistance needed for new and old interior cement and concrete floors that encounter heavy traffic. Can also be applied over slate, quarry tile, terrazzo, sealed wood and marble. Fulfills V.O.C. laws. NOT FOR USE OUTDOORS.

### **Stone Mason**

#### Stone Floor Sealer/Finish

Stone Mason is a truly outstanding metal cross linked sealer/finish that demonstrates extraordinary performance on non-resilient floors. Seals and finishes virtually all stone surfaces including marble, terrazzo, quarry tile, ceramic tile, granite, slate, terra cotta and concrete. Stone Mason has superior water resistance and is formulated to beautify and protect natural stone and tile floors. Works well with both low/infrequent maintenance and high/frequent maintenance programs.

### **Perma Cote**

#### Low-Maintenance Sealer/Finish

The hardest, most durable and lowest-maintenance floor finish commercially available. This new formula was developed specifically for heavy-traffic, low-maintenance areas where routine buffing or high-speed burnishing is not performed.

### **Dura Cote**

#### 18% Solids Zinc-Free Finish

A new state-of-the-art, zinc-free polymer is the foundation of this floor finish. Its superior gloss, detergent resistance, repairability and durability is comparable to any metal cross-linked floor finish. Responds to all conventional and high-speed maintenance procedures.

### **Diamond Cote**

#### 20% Ultra-Hard Extended-Wear Sealer/Finish

A superior floor finish for use in heavy traffic areas. This floor finish utilizes hard polymers for use where limited burnishing and spray buffing are required. Produces high gloss, unequalled black heel mark and detergent resistance with extended-wear properties.

### **Reflex**

#### Spray Buff/Restorer

This new, total-maintenance formula provides a mirror-like image on all floors coated with thermal plastic, metal interlock or polymer finishes. Excellent for recoating, rejuvenating and spray buffing. For use with 300 rpm or high-speed machines.

## **MICRO SHIELD Floor Care System (continued)**

### **Rebound**

#### Cleaning & Polishing Compound

A revolutionary new floor-maintenance product designed to clean and polish floors in one labor-saving step. Simply dry-sweep the floor, apply a 3 to 4 inch stream of product and immediately high-speed burnish to a clean, bright gloss. Extends the life of floor finish which lengthens the interval where recoating or stripping becomes necessary. Packaged 12 × 1-pint bottles per carton (3 individual 4 × 1-pint cases in over-pack carton).

### **Rejuvenator**

#### Cleaner/Maintainer

Using this cleaner/maintainer as a regular part of propane and other high-speed floor maintenance programs will greatly reduce labor and provide outstanding results. Use this one-step product as a cleaner and restorer. Mop on or use through an automatic scrubber, and follow by burnishing with high-speed machine.

### **Dustdown**

#### Dust Mop Treatment

The perfect dust control treatment which turns mops and cloths into dust magnets. Oil free, non-flammable and water miscible.

## Food Service Products

### **Dishwish**

#### Dishwashing Detergent

Quick-acting, biodegradable pink lotion bursts into heavy-duty suds upon contact with water. Rapid penetration frees food deposits and removes grease, lipstick and stains. Excellent for glasses, pots and pans. Mild and gentle to hands.

### **Appeal**

#### Concentrated Lemon Dishwashing Detergent

Highly concentrated fast-acting detergent for pots and pans, dishes and glassware. Penetrates food and heavy-duty grease deposits leaving a sparkling shine. pH balanced to be mild on hands. High-foam and lemon fragrance.

### **All-Temperature**

#### **Machine Dishwashing Concentrate**

A premium, low foam machine washing product for all tableware including plastics. Chlorinated, very high performance detergents for use in all water conditions and temperatures where heavy food soils are encountered. Designed for all automatic dispensing systems.

### **Final Rise Additive**

Reduces surface tension. Promotes sheeting action for spotless, streak-free, flash drying of dishes and kitchenware. Excellent for use in all proportioning systems.

### **Excell**

#### Oven, Grill & Fryer Cleaner

A fast-acting odorless chemical formulation which penetrates and dissolves carbonized grease.

Eliminates scraping and scrubbing. Ideal for use on grills, hoods, burners, stove tops, etc.

### **Unique**

#### Thick, Heavy-Duty Oven Cleaner

High-alkaline thick-bodied formulation allows this product to cling to vertical surfaces. The ideal oven cleaner.

### **Foaming Meatroom Degreaser**

A foaming degreaser specifically formulated to clean meatrooms in super markets, packing plants, renderers and commercial and industrial kitchens. Removes blood, animal fats, grease, food soils and organic matter.

## **Food Service Products (continued)**

### **Acid Detergent Delimer**

This acid-based detergent chemically dissolves calcium and other hard-water buildups. Excellent for deliming steam tables and coffee urns. Will not harm stainless steel when used as directed.

### **Sanitizer-Deodorizer**

#### 1:512 Air-Dry Sanitizer

A disinfectant, sanitizer and deodorizer for final rinsing of glasses, dishes, silverware, food-processing, dairy and other equipment. Excellent for restaurants, health-care and volume-feeding institutions. EPA registered.

## Hand & Body Cleaners

### **[Derma-Tech - click for product specification sheet pdf](#)**

#### Pearlized Lotion Hand Cleaner

Combat a major cause of employee lost time, dermatology problems caused by the misuse of harsh handsoaps. Derma-Tech Pearlized Lotion Hand Cleaner was developed to give special attention to the skin. This mixture of pearlized hand lotion and Lanolin provides rich sudsing, quick cleaning and a smooth, soft Lanolin-protected feel. Formulated to lather quickly, rinse thoroughly and leave the skin feeling smooth and soft without a greasy film. Ideal as an everyday soap for the office, school, restaurant, hotel, industrial and any institutional environment.

### **[Mechanic's Handsoap - click for product specification sheet pdf](#)**

The perfect cleaner for dirty greasy hands. A thick viscous liquid fortified with wetting agents and penetrating detergents. A small amount in the palm removes oil, grease, ink, paint, etc.

### **Medi-Smooth**

#### Antiseptic Lotion Hand Soap

A highly effective antiseptic hand cleaner that protects and conditions hands while working against bacteria. Keeps hands soft no matter how often they are washed.

### **Velvet**

#### Liquid Hand Soap

A fine-quality coconut hand cleaner blended with highly active coconut oil. Abundant lightly scented lather removes soil and rinses free. Flows easily through dispensers.

### **Hair & Body Shampoo**

An extremely mild hair and body shampoo for use in liquid dispensers which eliminates the need for bar soaps in the shower area. Its rich lather rinses away freely leaving skin feeling smooth and clean with a pleasant scent. Excellent for use in health clubs, institutions, hotels, hospitals and locker rooms.

## Drain Openers & Maintainers

### SO4

#### Sulfuric Acid Drain Opener

Inhibited 93% sulfuric acid drain opener that liquefies all organic drain stoppage. Works instantly to remove sanitary napkins, paper towels, coffee grounds, grease, sludge, fat, hair, etc. FOR PROFESSIONAL USE ONLY.

### KOH

#### Liquid Caustic Drain Opener

A fast-acting, odorless non-acid drain opener. Pours through standing water. Dissolves starches, fats, oil, grease, hair and other organic wastes. Safe on all plumbing fixtures, septic tanks, garbage disposals and porcelain. FOR PROFESSIONAL USE ONLY.

### Orange Grease Digester

Quickly dissolves heavy grease, slime, fat and scum in drains, grease traps, septic tanks, sewer lines and garbage receptacles. Neutralizes odors leaving a pleasant orange scent. Non-acid, non-caustic and non-corrosive. Contains no orthodichlorobenzene.

### **[Bio-Zyme - click for product specification sheet pdf](#)**

#### Enzymatic Digester - Spotter - Deodorizer

A chemical and bacteria blend for elimination of a broad spectrum of odors, stains and waste caused by organic material, such as food, blood, vomit, urine and fecal matter. Eliminates odors and liquefies waste in drains, porta-toilets, food-processing plants and institutions of all types. Excellent as a cleaner and deodorizer for carpets, fabrics, and hard surfaces.

## Restroom Care Products

### **Royal Flush**

#### Disinfectant Bowl Cleaner

A white emulsion, disinfectant 20% hydrochloric acid bowl cleaner. Removes rust, scale and stains from toilet bowls and urinals. EPA registered.

### **Purity**

#### Low-Acid Disinfectant Bowl Cleaner

A disinfectant cleaner designed for hospital, industrial and institutional use. Cleans, descales, deodorizes and disinfects toilet bowls and urinals in one step. EPA registered. Available as Purity Plus, a thickened formula for better clinging to vertical surfaces.

### **Bowl Guard**

#### Bowl & Porcelain Cleaner-Disinfectant

A phosphoric acid general-purpose disinfectant, cleaner and deodorizer for toilet bowls, urinals, basins, bath tubs and tile. Disinfectant against odor causing bacteria only. Pleasantly scented. EPA registered. Available as Bowl Guard Plus, a thickened formula for better clinging to vertical surfaces.

### **Non Acid Bowl & Bathroom - [click here for product specification sheet pdf](#)** Cleaner - Disinfectant

This tough non-acid cleaner effectively cleans, disinfects and deodorizes all bathroom surfaces. Use on walls, floors, shower stalls, sinks, urinals and toilet bowls. Leaves a pleasant residual fragrance. Virucidal against HIV-1 (AIDS virus) EPA registered.

### **Envy**

#### Non-Acid Disinfectant Bowl Cleaner

Concentrated multi-purpose non-acid cleaner and deodorizer. Effective use dilution 1:32 (4oz/gal). Use on all surfaces. Leaves pleasant residual fragrance. EPA registered.

### **Cream Cote**

#### Cream Scouring Compound

A thick penetrating liquid scouring and polishing compound which clings to all surfaces, easily removing soil, stains, soap scum, etc... without scratching or leaving a slippery film.
